CONTRACTOR'S PARKING PERMIT

Section §16-32B of the City Code of Fredericksburg, Virginia state: "A licensed contractor, engaged in construction of a building adjacent to the public right-of-way, may park one (1) vehicle in front of the side for extended periods of time beyond the established time limit, provided the contractor has prior written approval from the Chief of Police and the City Manager. The permit can run for **no more than thirty (30) days at a time**". In accordance with this Section of the City Code, application must be made prior to issuance of a parking permit.
