RE: Approving the Relocation Plan for the Slave Auction Block

ACTION: APPROVED: Ayes: 6; Nays: 1

On June 11, 2019, the City Council voted to relocate the slave auction block from the corner of William and Charles Streets to the Fredericksburg Area Museum for display.

On July 9, 2019, City Council directed the City Manager to develop a relocation plan to effect this move.

The City Manager has prepared a relocation plan that involves removal of the auction block and cleaning of the auction block by Public Works crews under the supervision of a professional archaeologist, and for the delivery and installation of the auction block at the Fredericksburg Area Museum under the supervision of the Museum Director. This work is to begin in December 2019.

The City Manager's plan effects the direction of City Council and meets with its approval.

Therefore, the City Council hereby approves the relocation plan and authorizes and directs the City Manager to carry it out.
