General Requirements for Dumpster/Container/Toilet/Toilet

1. Dumpster/Container/Toilet shall be placed **only** at the location described above. If this location changes, a new application must be submitted. **Dumpster/Container/Toilet may not be placed, even partially, in front of adjacent properties without the consent of the adjacent property owner.**
2. The Applicant/Permittee shall be responsible for any damage resulting from the placement or use of this Dumpster/Container/Toilet.
3. Dumpster/Container/Toilet must be placed a minimum of TWENTY (20) feet from any intersection.
4. Dumpster/Container/Toilet must be placed a minimum of FOUR (4) feet from any driveway entrance.
5. Dumpster/Container/Toilet must not be placed more than TWELVE (12) inches from the curb.
6. Dumpster/Container/Toilet must not impede the flow of pedestrian or vehicular traffic and must not cause any site distance issue for vehicular traffic.
7. Dumpster/Container/Toilet must have a minimum of EIGHTEEN (18) inches of reflective material or lights on **EACH OF THE EIGHT (8) UPPER CORNERS.**
8. Dumpster/Container/Toilet must not prohibit or limit access to any fire hydrant or other necessary resource, facility, or infrastructure, as determined by the City.
9. Dumpster/Container/Toilet must be placed in such a manner that it will remain stationary (i.e. wheels must not be able to move) for the duration of placement. Particular care must be exercised when Dumpster/Container/Toilet is placed on an inclined surface. **ALL wheels must be chocked.**
10. Dumpster/Container/Toilet shall be inspected by the City after placement. Any identified deficiencies must be corrected within TWENTY-FOUR (24) hours of notification to the Applicant/Permittee.
11. Once placement is approved, a Dumpster/Portable Storage Container/Portable Toilet Permit will be issued to the Applicant/Permittee in accordance with ***City Code § 66-10***. For the duration of placement, this permit must be posted on the Dumpster/Container/Toilet in a way that it is visible from the street. Applicant/Permittee is responsible for coordinating this with the Dumpster/Container/Toilet Company.
12. Dumpsters and Portable Toilets must be emptied at regular intervals to ensure against litter problems or health hazards. Area around dumpster/toilet must be kept free of debris, trash, litter, construction materials, etc. Dumpster/Toilet must not be overfilled, and contents of dumpster/toilet must not present a health or safety hazard or a nuisance, as determined by the City.
13. If a dumpster/toilet is removed (including to be emptied) and a different dumpster/toilet is set in its place, a new permit must be issued. This ensures that every dumpster/toilet meets the City's requirements.
14. **All Dumpster/Portable Toilet Permits expire THIRTY (30) days after the Date of Issuance. All Portable Storage Container Permits expire SEVEN (7) days after the Date of Issuance. After expiration, a new application must be completed and a new permit must be obtained.**
15. Only ONE (1) Dumpster/Container/Toilet will be permitted at any given address/location at a time.
16. **Dumpsters/Toilets may not be permitted for more than Sixty (60) days. After Sixty (60) days, the dumpster/toilet must be removed from the location for at least THIRTY (30) days before the City will consider granting another permit.**
