CULTURAL RESOURCES ASSESSMENT

for Development Applications

This is a desk review of the project and is subject to change if additional information becomes available. Please provide documentation of previous grading, cultural resource studies, or other information relevant to the archaeological potential of the subject site.

Parcel(s) for which assessment is requested:

GPIN: _____

Street Address: _____

Project Name: _____

Applicant Name: _____

Applicant Phone: _____ Email: _____

Staff Use Only

Findings:

- The parcel(s) includes medium-high or high probability areas for the presence of archaeological resources as shown on the City's [Archaeological Predictive Model](#) (turn on "Archaeological Resources").
- Archival records, previous studies, or the presence of previously recorded archaeological sites indicate that there is a high potential for finding archaeological resources on the parcel(s).
- No archaeological or historic sites or graves are recorded on the project area.
- Further cultural resource review is not warranted due to previous ground disturbance, recommendations of no further work from prior cultural resource survey reports, or a previous compliance process associated with Section 106 of the National Historic Preservation Act.
