

## Preserving Black History at Idlewild

Please join City Planning staff and members of the [MTFA Architecture](#) consultant team for an update on preservation planning and potential site improvements to the historic Downman House/Idlewild site. The City is seeking ways to tell the story of Black history on the property and preserve the spaces associated with the enslaved residents of the site. Explore plan recommendations with us and share your thoughts!

**PUBLIC MEETING**

**IDLEWILD SITE  
UPDATE**

**DECEMBER 1, 2022**

**7 PM**
