**PLANNING COMMISSION
NOTICE OF PUBLIC HEARING**

**January 10, 2024
6:30 P.M.**

The Planning Commission of the City of Fredericksburg will hold an in-person public hearing at **6:30 p.m. on January 10, 2024** in the City Hall Council Chambers, 715 Princess Anne Street, Fredericksburg, Virginia, at which time interested persons may attend and present their views on the following applications:

1. **Area 10 Lafayette / South Route 1 Small Area Plan** – The City of Fredericksburg proposes to make the following amendments the City Comprehensive Plan to adopt the Area 10, Lafayette / South Route 1 Small Area Plan:
 - a. Chapter 10, Land Use Plan, to update the land use transects, create a T4-Village Center transect and apply them to Area 10 in the General Land Use Plan; and
 - b. Chapter 11, Planning Areas of the City’s Comprehensive Plan, to adopt the Area 10 Small Area Plan. The Plan includes a change in the small area boundaries, land use policies, focus sections on Lafayette Blvd. and U.S. Route 1, residential neighborhoods, stormwater considerations, and redevelopment policies for Area 10.

Area 10 is the southern portion of the City along Route 1 and Lafayette Blvd. that are south of Route 3 and the VCR Trail to the corporate boundary line with Spotsylvania County.

2. **Zoning Map Amendment (Rezoning)** – The City of Fredericksburg proposes to rezone 7 parcels consisting of approximately 6.78 acres from I-1 Light Industrial and I-2 General Industrial to Creative Maker District. The area to be rezoned includes the following properties:

GPIN	Current Zoning	Address	Acreage
7779-60-6750	I-1 Light Industrial	1325 ALUM SPRINGS RD	2.66
7779-60-4650	I-1 Light Industrial	1327 ALUM SPRINGS RD	1.01
7779-60-3518	I-1 Light Industrial	1329 ALUM SPRINGS RD	1.20
7779-70-0554	I-2 General Industrial	0 ALUM SPRINGS RD	0.95
7779-60-9674	I-2 General Industrial	1315 ALUM SPRINGS RD	0.26
7779-60-8535	I-2 General Industrial	1319 ALUM SPRINGS RD	0.46
7779-60-8658	I-2 General Industrial	1321 ALUM SPRINGS RD	0.24

The Creative Maker District permits a broad array of non-residential uses including some light industrial uses. The Creative Maker District includes form based standards, which consist of a Transect Map and a Frontage Map. The proposed Transect Map for this area would apply the T-5M Transect to the property. The T-5M Transect permits residential uses at a density of 12 units per acre with the ability to apply for higher residential densities by special use permit. The T-5M Transect also permits a 0.75 floor-area-ratio for non-residential use with the ability to increase that standard to 3.0 by special use permit. The Zoning Map Amendment also applies a Frontage Map to the area to establish the appropriate standards for the front yard and streetscape configuration during redevelopment. The purpose of the rezoning is to permit the transition of the area from heavy industry to a development pattern more compatible with nearby neighborhood uses while permitting a broad array of commercial, residential, and some creative industrial uses. **RZ FY24-02**
