EQUIPMENT RENTAL & USAGE POLICY

It is the policy of the Department of Parks, Recreation & Events Department to make certain items of equipment available for rental to citizens of the City of Fredericksburg, other City Departments, and City-sponsored special events, as well as residents of the surrounding jurisdictions. The following are the terms, conditions and procedures that apply to such rentals.

DOCUMENTATION: All persons or organizations wishing to rent equipment must make application to, and receive approval from, the Department no less than two weeks prior to the intended use. The Equipment Rental Application can be obtained at the Dorothy Hart Community Center between 8:30 am – 8:00 pm Monday – Thursday and on Friday between 9:00am – 4:00pm.

CITY LIMITS: All rented equipment is rented for use within the city limits. Equipment may, however, be taken beyond the city limits by city residents, businesses, organizations, etc. When this is done, the renter, whether a city resident or not, will be charged the non-city rental fees. Non-City residents, businesses, organizations, etc. may not take rented equipment beyond the City limits.

EARLY USAGE: Equipment may be picked up on the day or evening prior to the rental period at no additional cost, provided the equipment is not scheduled for use within that time period.

DEPOSIT: Renters who do not return equipment on the designated date and at the specified time, or return it in disrepair, will forfeit all of their security deposit and can be denied future rentals or required to pay greatly increased deposits for future rentals.

PICK UP AND RETURN OF EQUIPMENT: All equipment is to be picked up and returned by the renter, to the Dorothy Hart Community Center, 408 Canal Street, between 8:30 am and 8:00 pm Monday thru Friday and is scheduled around activities at the Community Center. These pre-arranged times will be clearly stated on the approved Equipment Rental Application. Those persons who fail to comply with these times may find the equipment unavailable for pick up, or lose their deposit if equipment is not returned as scheduled. Delivery for an additional fee is available. See fee schedule. (NOTE: Some items require delivery and setup and those delivery fees may not be waived.)

ON SITE USE: The following equipment is available for use with rental of the Community Center at no additional charge (but may require an additional deposit): CD player; lectern; portable public address systems; TV/VCR unit; piano; and wipe off boards. All are on a first come, first served basis. Renters are responsible for maintaining the current equipment condition. None of these items may be removed from the Community Center. FREDERICKSBURG PARKS, RECREATION & EVENTS

Requirements for Posting Temporary “No Parking” Signs in The City of Fredericksburg

1. A permit must be obtained from the Parks, Recreation & Events Department prior to the posting of any signs. Permits will be issued only for the date(s), times and number of parking spaces determined by the Director of Parks, Recreation & Events or her designee to be necessary to the purpose of the restriction.
2. Only signs provided by the Parks, Recreation & Events Department may be used. A \$3.00 per sign cash deposit is charged. Provided the sign is returned on the first business day after the expiration of the temporary restriction, there will be a \$2.00 per sign refund.
3. The date(s) and times of the temporary parking restriction must be clearly written on each sign in large, black, block lettering.
4. Signs are to be posted not less than thirty six (36) hours nor more than forty eight (48) hours prior to the beginning of the restriction. Saturdays, Sundays and holidays are to be included when calculating when the signs may be posted.
- 5. Signs may be posted on street trees, existing sign poles or utility poles with string, zip-ties or saran wrap. ****No staples, nails, tacks, tape of any kind or other material that may damage the surface may be used. ******
- 6. In places where there are no trees or existing pole, please attach signs to garden stakes or safety cones.**
7. Signs posted on existing sign poles must not cover any portion of any existing sign(s) on the pole.
8. Signs are to be posted so that the face of the sign is clearly visible to oncoming traffic. The face of the sign should be perpendicular to the curb line, rather than parallel. (Exception: On streets with “diagonal” parking, the sign should face the parking space, so that drivers may see the sign as they pull into the parking space.)
9. Signs are to be removed immediately upon the expiration of the temporary parking restriction. All material used to post the sign (string, masking tape) is to be removed as well.
10. Signs posted in violation of these requirements are subject to removal without notice.
